13950/11	42	66 x 66 x 15

Covered Pallet

Ideal for outdoor drum storage, roll top hard cover is designed with inside clearance to store drums with pumps and funnels in place. Roll top slides up and out of the way-gives you quick access to pumps or funnels while the rest of the unit stays closed. Hard cover and pallet can be lifted by a forklift with the drums in place, no need to unload them

Heavy duty, weight capacity of 2,014kg UDL-supports any 2 drum load. Front swing-out doors can stay closed until you're ready to load or unload. Cover may be secured with a padlock (not included)

Product No	Size (L x W)-cm
13950/12	171 x 188

Drain Cover

Forms a tight seal over drain to block out liquids. Flexible polyurethane resists water, oil and most chemicals. Top layer is highly durable and resistant to tearing. Bright safety yellow colour is highly visible for quick response. Choose a size that overlaps your drain opening by at least 8cm.

Notice : due to the nature of softer urethane, the physical properties of these products may change with exposure to certain environmental condition like temperature, humidity and UV radiation. Please inspect the stored product regularly to ensure it is in a usable state. Typical life expectancy is 5 years

13950/13	91 x 91 x 1.3

Spill Pad and Sign

The Over-the-Spill Pad Tablet has joined forces with the 2-sided Floor Signs to make spill clean-up quick, easy and safe. Pad Tablet contains 25 Pads, bright yellow pads are easy to see, so pedestrians know there's a clean-up in progress. Caution message printed clearly on Pads. Tablet attaches to a 2-sided Rubbermaid. Floor safety sign constructed of light-weight yellow plastic, won't rust or corrode. Sign is hinged to fold flat for storage. Absorbs 300ml per pad, 7.5Lt per tablet

Product No	Tablet size-(L x W)-cm	Sign size (W)-cm
13950/14	42 x 35.5	28

Leak Diverter

Easy to set up-just hook on pipe or rafter, pull off the sleeve, and the Diverter springs open. Heavy-duty vinyl-coated polyester-strong durable and non-permeable. Protects workers, equipment and floors from overhead leaks. Light weight, easy to handle, flame resistant for safety. Flow rate is 12.6 Lt/minute when used with a 1.2cm ID drainage hose.

Includes 3m of flexible PVC drainage hose for directing liquids, plus a 1.9cm drain fitting for longer hoses if necessary. Quick connect fitting on the hose and valve allows you to attach a drainage hose to the Diverter in less than one second.
